PS Docket No. 06-229, WT Docket No. 96-86

Dear Ms. Dortch:

Yesterday, representatives of the Public Safety Spectrum Trust (PSST), its advisor, Cyren Call and the National Public Safety Telecommunications Committee (NPSTC), met with Mr. Jeff Cohen, Senior Legal Advisor to the Public Safety and Homeland Security Bureau. Participating in the meeting were Mr. Vincent Stile, Ms. Marilyn Ward, Mr. Don Root, Mr. Jay Paull, Mr. David Knutson and I. During the meeting we discussed the PSST's efforts pursuing the relocation of current 700 MHz narrowband licensees required by the Commission's Second Report and Order. We elaborated on activities to gain insight to the circumstances of these public safety agencies and to afford the agencies meaningful participation in the project. We also related NPSTC's initiative to assist the PSST in the effort as well as discussions with manufacturers and providers who service the systems involved.

Respectfully,

Vincent R. Stile, Chair
